AAD team does NOT consider:

Bad quality images, including blurry images, low-resolution images, personal photos, images with bad lightening. We do NOT consider images without information and detailed portfolio. Criteria mentioned above.

AAD does not reply on personal, rude and unprofessional emails.

AAD team goes through all emails and your portfolios very carefully. We value your time and appreciate your interest. If you don't get the response, please contact us in next round.

Looking forward to working with you,
Yours,
AAD
